Note holiday bookings cannot be changed or cancelled once made.

Our staff are all rostered according to your bookings and in order for us not to have to charge retainers for days not needed we need to ensure that our staff are rostered strictly according to your bookings.

We hope you understand our reasoning for this.

We will confirm your booking via email and you will received an itemised invoice in due course. Bookings must be paid for prior to attending holiday camp

Email address for confirmation of booking
